Special Requests (team mates, roommates, separate travel, etc.):

Special requests make the logistics of a large group trip like this even more difficult for your group leaders. We hope that in the spirit of offering our gifts and talents for this week, that all can be flexible and adapt for the good of the group. We believe this can open doors to new friendships and experiences. However, if you feel you must make a special request, please do so in the space below, with the understanding that not all special requests can be granted. (Requests made after March 31st are even more difficult to accommodate and less likely to be approved.)

(A special thanks to all of you who left the space above blank.)

To be completed by participant(s):

I understand that team members must be flexible, cooperative, and cheerful. I agree to cooperate at all times with the team leaders concerning our life together, including daily assignments, food, lodging, and transportation. I agree to stay with the team from beginning to end, to abstain from the use of alcohol and tobacco while on the mission, and to share my faith in an appropriate Christian manner.
